2017 Hall of Fame Awards
Reception & Dinner

Monday, September 11, 2017

The Four Seasons Hotel

San Francisco, CA

Sponsor Prospectus
May 2017

Since 2008, leaders of our industry have set aside a special evening each year to recognize remarkable colleagues from our ranks. We take time to honor a select group of pioneers, the restless innovators who found a better way to build, or manage, to disrupt or govern the wireless industry.

Please join us to honor these pioneers and support the **2017 Wireless History Foundation Hall of Fame Awards Dinner**, Monday, September 11, Four Seasons Hotel, San Francisco.

About the Wireless History Foundation

The Foundation is a 501 (c)(3) charitable organization founded in 2008 by wireless pioneers to preserve and promote the history of the wireless industry and preserve the lessons of wireless for the benefit of future entrepreneurs and innovators. WHF chronicles the achievements of individuals, the contributions of numerous organizations, and the evolution of markets and technology, all of which fueled the growth of wireless communications and continue to add convenience, productivity, and enrichment to everyday life.

About the Hall of Fame

Induction into the Wireless Hall of Fame is one of the industry's highest honors, acknowledging the leadership, innovation and achievement of each honoree. Each year, a small group of honorees is inducted at the Hall of Fame Awards Dinner, whose guests represent the leadership of all sectors of our industry. The Wireless Hall of Fame was begun in 2000 by RCR Wireless News and transitioned to the Wireless History Foundation in 2008.

In 2016, Wireless Hall of Fame inductees were:

- Ralph de la Vega of AT&T
- Joel Engel, Richard Frenkiel and Philip Porter of Bell Labs
- FJ Pollak of TracFone
- Richard Sherwin of Graphic Scanning

A complete listing of Wireless Hall of Fame inductees is available at the WHF website [here](#).

About the Dinner

The evening begins at 5:30 with a cocktail reception, followed by dinner at 7:00. Dinner ends by 9:00, followed by an after-dinner reception. This intimate and collegial event is limited to approximately 300 guests. Business dress is the norm. See photos of previous years' events online at the [WHF website](#).

A Note from

David Diggs

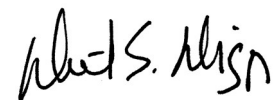

Thanks for your interest in sponsoring the Wireless Hall of Fame Awards Dinner. I'm excited that this year's Dinner takes place on the eve of the inaugural [Mobile World Congress Americas](#) conference in San Francisco.

We're expecting higher than average attendance at this year's Dinner because of the interest in MWC, so please make your plans as soon as possible. I look forward to a lively and congenial evening with the leaders of the global wireless industry.

Feel free to contact me with any questions about our event.

See you in San Francisco!
